Canuck Concrete Pumping & Crane receives Safety Awards of the Crane Rental Association of Canada

Yellowknife, NT --- **Canuck Concrete Pumping & Crane** has received the prestigious Safety Award from the Crane Rental Association of Canada for its high standards in safety and security in 2019.

It is during the virtual Annual General Meeting of the Crane Rental Association of Canada that the Safety Awards were presented to eight member companies. This association initiative is to promote and celebrate safety in the Canadian crane industry.

“It is with Great Pride, that we receive this Crane Safety Award for 2019. As a Northern Owned and Operated Business, we continually work hard to promote our Company abiding by all National Craning and Hoisting Regulations, that is critical in this industry. Providing Safe Working Practices at all times, as well as Professional and Reliable Service to our Customers.”

The Crane Rental Association of Canada’s www.crac-aclg.ca members are crane rental companies, manufacturers and suppliers of cranes and equipment, and supplier of service used in the specialty crane rental business in Canada. Members come from Canada, the United States and Europe.

Canuck Concrete Pumping & Crane has been Incorporated since 2003 and active in the Concrete Pumping and Craning Industry throughout the NT/Nunavut & Alberta. We have supplied Crane Equipment/Red Seal Journeyman Operators and Concrete Pump Equipment/Operators as well as Crane Riggers, Labourers, Trucking Services, Site Management, and Project Management on many different Mine sites in Canada. Our Management Team has many years of Experience in Construction and Maintenance Projects within NT, Nunavut and across Canada.
